ITINERARY DETAILS

November 6-10, 2024

Day 1: Wed, Nov 6

Houston - Los Cabos International Airport - Cabo San Lucas

We will leave Houston for Los Cabos International Airport, Mexico. Upon arrival, we will be transferred to our hotel in Cabo San Lucas. Rest of the day is at leisure in our resort hotel.

Day 2: Thu, Nov 7

Boat Tour to El Arco - Land's End

Your day begins at the marina where your **glass bottom boat** awaits. Hop aboard and let the captain and crew take you to the waters of Land's End, where the mind-blowing **fusion between the Gulf of California and the Pacific Ocean happens**. As you sail, behold many amazing sights surrounding **The Arch** — a majestic rock formation that's become one of the more iconic attractions in Cabo San Lucas.

Sailing Cabo's waters you will be gazing down at an array of colorful tropical fish through the glass bottom boat. It will also be the perfect opportunity to check out what's above water marine life such as colonies of sea lions and plenty of pelicans.

You can't visit Land's End and not be spellbound by its world-heritage quality beaches. If weather permits, this excursion provides you with chilled-out time at one of Cabo's beaches, whose incredibly beautiful water will give you a great swimming experience. Or you can simply relax on the sand and soak in the sun.

We will come back to the marina by noon. For the rest of the day, you may choose to explore the town of Cabo San Lucas on your own or spend your time at the beach at your resort.

Todos Santos Day Trip

Today we will make our way to the delightful town of Todos Santos. When we arrive to this quaint place, we'll step into one of the earlier settlements in Baja with a long and colorful history since its 1723 founding.

Spanish for 'All Saints', **Todos Santos** offers plenty of heavenly places to explore, such as a Mexican blanket factory, where we can see one-of-a-kind collector's items created by brilliant artisans. Our day trip also includes stops at shops featuring regional sweets, a museum, an art gallery, a theater, the town's old Jesuit mission, and the Tropic of Cancer marker.

Our Todos Santos day trip wouldn't be complete without stopping by the **renowned Hotel California**, which first opened in 1932 and has undergone many renovations over the decades.

Enter the hotel, where you'll be guided through the lobby and courtyard as we learn about the stories behind this establishment. During our free time at this landmark, we will have some free time for lunch. Also, enjoy signature tequila and damiana tasting along with shopping time. Drive back to our hotel.
